

Port of Fremantle Navigational Warning

NAV-WARN #: 11/2026

Date of issue: 28.05.2026

Date of effect: 28.05.2026

Effective until: 28.09.2026

Charts affected: AUS 117

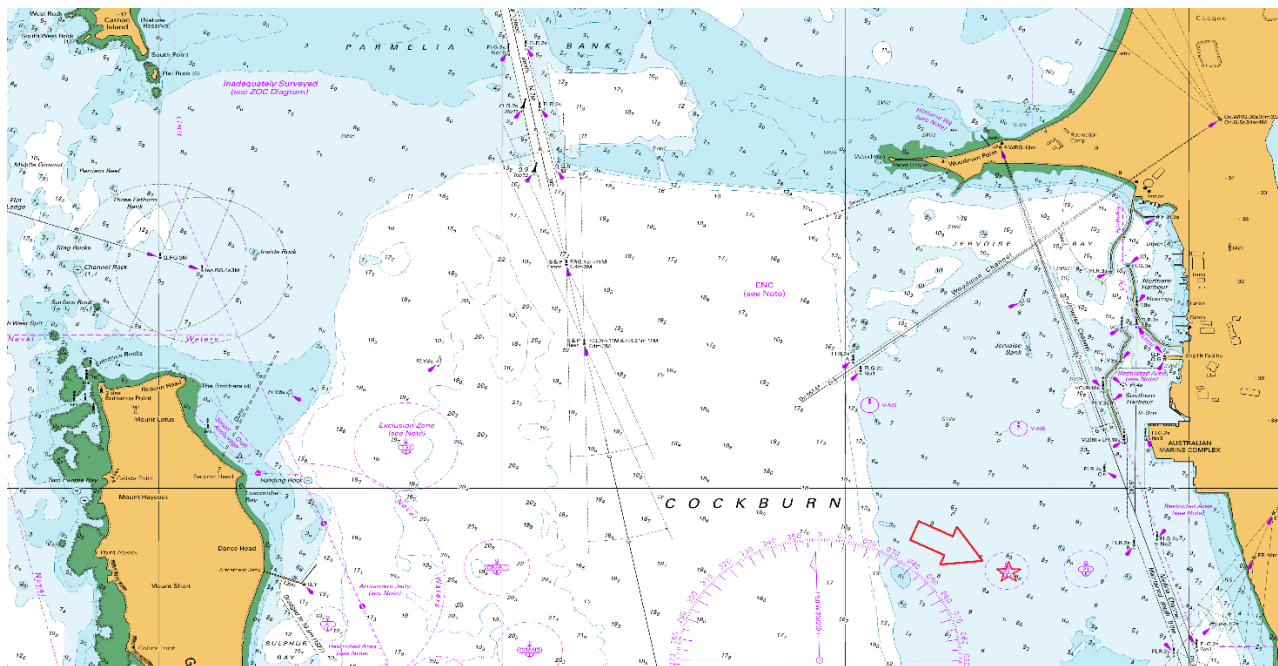

Cockburn Sound - Blue Triangle Scientific Equipment

Mariners are advised that a mooring will be installed in Fremantle Ports P2 Anchorage in Cockburn Sound (Lat 32 10.47 S, Long. 115 44.93 E). to secure a floating wind turbine structure with an extreme dimension of 52 meters.

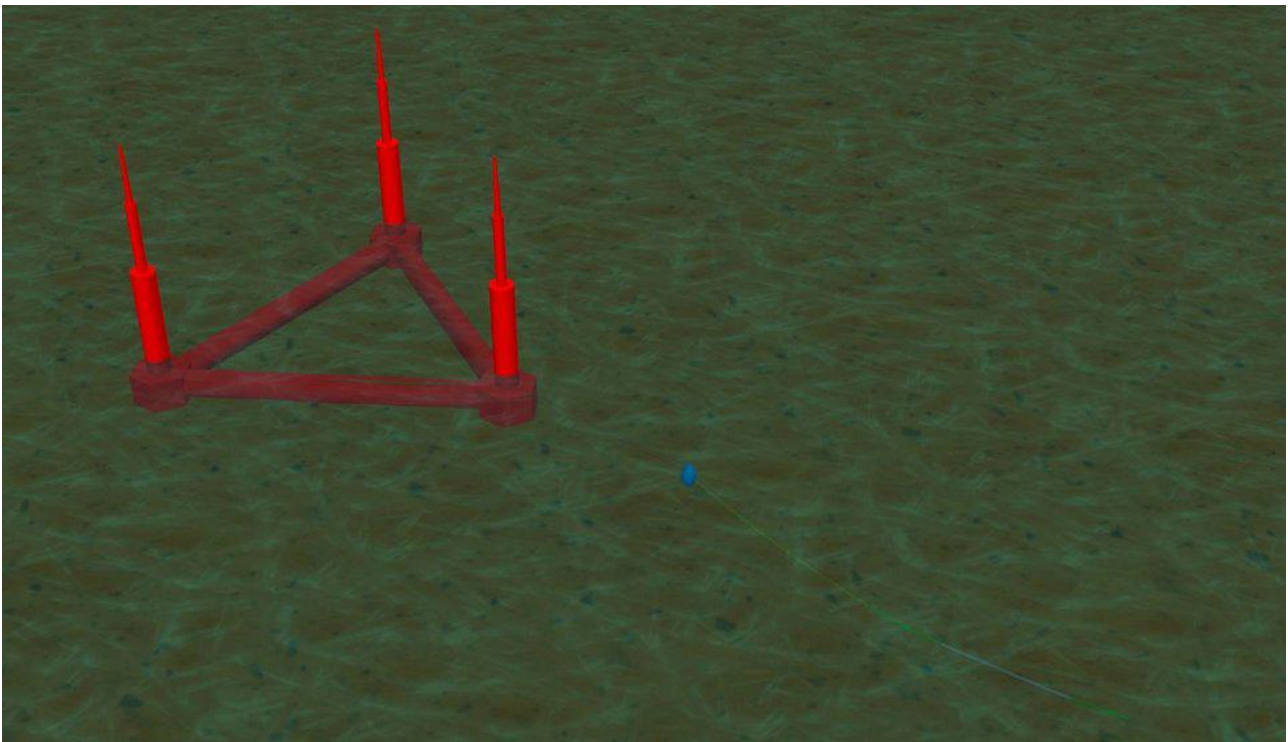

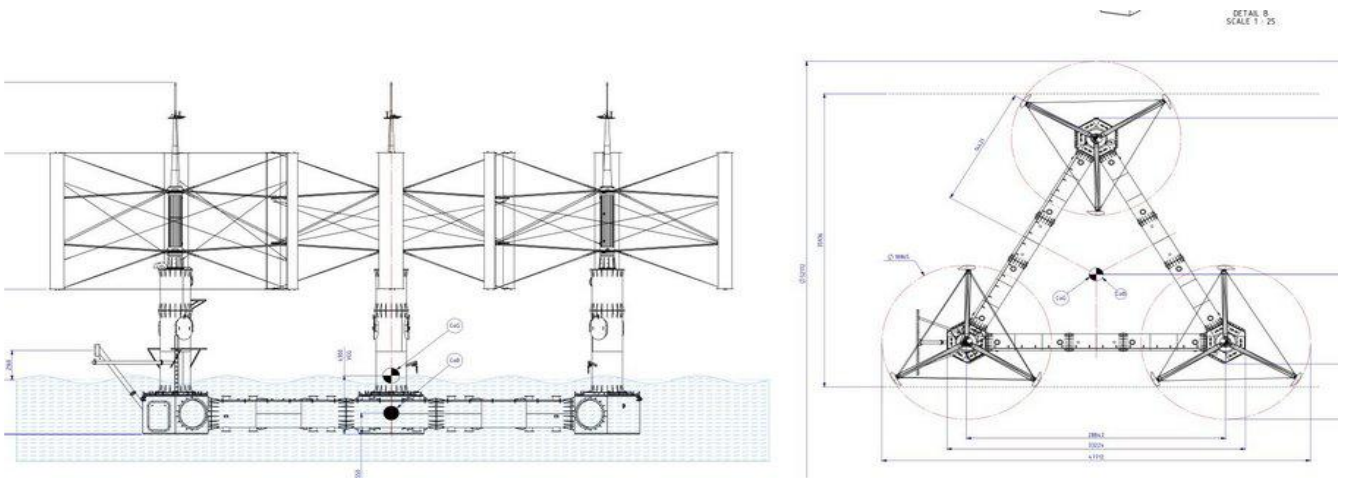

Mariners are advised that an exclusion zone of 50 meters is in place around the mooring and structure. The area is declared a "no wake no wash" zone.

Vessels transiting the vicinity should minimize their speed to reduce their wake.

Please note that the body of this instrument may be submerged and will be less than 1 meter underwater. This instrument is scheduled to be in the water for approximately 4 months. The mooring buoy is lit and will remain in place while the vessel/structure may intermittently be removed for repairs and maintenance.

**Harbour Master's Office
Fremantle Ports**

Mariners are advised to navigate with caution and minimise wake when transiting the above area.
